

Dix Hills Ice Rink

Game Day Protocols

- CDC approved face coverings must be worn at all time, except during game play.
- Players can enter 15 minutes prior to the game. All Players must come fully dressed to the facility and wearing a face covering prior to entry to the rink.
- Upon entering the building, everyone will have your temperature taken, players must fill out Covid questionnaire.
- NO Locker Rooms, we will create 8 zones (4 for each rink) for putting on skates and helmet only.
- Players will bring hockey bags behind each bench area
- Approved face coverings can only be removed when the player is putting on their helmet or during game play. * (Players may opt to wear an approved face covering if they wish.)
- Bench personnel must wear approved face covering at all times.
- After Games, players must leave the rink ASAP. No undressing in the lobby.
- Players and bench personnel must socially distance while on the bench as much as possible.
- Absolutely no spitting while on the bench, ice or anywhere in the building.
- No team celebration or support around the goalie at the end of the game.
- No handshake will be permitted at the end of the game.
- One (1) spectator per player is allowed in the building.
